About Us

For 160 years, Greek Life has been a part of the Rensselaer tradition. Currently our campus is home to 32 Greek organizations across three different councils and several professional organizations. These councils play a pivotal role in the Greek Life experience. They are responsible for organizing community events, representing RPI at various conferences, and leading those involved in Greek Life on campus.

Our Councils

Our community is made up of 3 Governing Councils, including the Interfraternity Council (IFC), Multicultural Sorority and Fraternity Council (MSFC), and the Rensselaer Panhellenic Council, as well as Professional Fraternities and Sororities in our community.

IFC: "Info About the IFC"

MSFC: "Info about the MSFC"

Panhellenic Council: "Info about the Panhellenic Council"

Professional Fraternities and Sororities: "Info"

The Rensselaer Interfraternity Council is the governing body for the majority of the fraternities at RPI. The IFC, founded in 1916, works to promote the highest ideals of scholarship, leadership, service, and fraternalism among its member organizations. Boasting 23 chapters, the IFC continues to grow in numbers and influence on campus and hopes to bring a better college experience to all.
